Supplement your immunity. Complement your health.

Health is wealth. Immunity is vital. But that doesn't mean you'll have to spend too much for it. DailyTab™ Gold is a special doctor formulated supplement that boosts immunity with a formulation of 29 premium active constituents like Natural Astaxanthin, Apple Cider Vinegar, Vitamin C, Zinc and Cranberry extract. It's time for you to make the most of our 25 years of experience in F&D and Manufacturing.

Nurture a Better You

- ★ A powerful blend of scientifically backed ingredients like **Natural Astaxanthin, Resveratrol, ALA, Natural Astaxanthin** is
 - (I) 36 Times stronger than Beta-Carotene (II) 550 Times stronger than Vitamin E.
 - (III) 794 Times stronger than CoQ10 (IV) 6000 times more powerful than Vitamin C.
- ★ Never miss a Dose with our **Special Calender Pack***.

Feed your immune system with what it really needs

Your immunity needs support in various ways. Our special formulation does all of that and more. It is specially crafted for Cardiac, Diabetic and Neuro conditions.

Natural Astaxanthin: 6000 times more powerful than Vitamin C. Astaxanthin is the most potent singlet oxygen quencher. It prevents damage to body cells. It is one of the most powerful naturally occurring antioxidants known for supporting body immunity and healthy eyes.

- ▲ Natural Astaxanthin's intracellular antioxidant activity is approximately 90x stronger than Synthetic Astaxanthin's (Regnier et al., 2015).
- ▲ Astaxanthin is a more effective antioxidant than other carotenoids due to its higher electron transfer activity (1-Ian et al., 2009).
- ▲ Astaxanthin is more stable than zeaxanthin, canthaxanthin and beta-carotene during lipid peroxidation (Jorgensen and Skibsted, 1993).

Vitamin C: An essential vitamin and antioxidant that stimulates the immune system and helps build healthy collagen, skin, cartilage and bones.

Resveratrol: It is an antioxidant with potential Cardioprotective, Neuroprotective, Anti-inflammatory and Anticancer properties.

Alpha Lipoic Acid (ALA): It is widely used in conditions such as Diabetes and Obesity. It also supports energy production at cellular level.

Elemental Zinc: An essential mineral that is required for normal immunity response, protein synthesis and also supports sexual health.

Taurine: An amino acid that supports several metabolic processes and supports antioxidant. It also supports Heart and Liver functions.

Cranberry extract: Consists of proanthocyanidins that are believed to help boost immunity and prevent UTIs.

Apple Cider Vinegar: Known for its antimicrobial, immunity supporting and antioxidant effects.

Curcumin or Curcuma Longa: A natural anti-inflammatory agent that matches the effectiveness of powerful anti-inflammatory drugs, without the side effects.

Boswellia Serrata Extract: A powerful anti-inflammatory extract that protects the gut & skin. It improves joint function and may also support cognition and mental health.

Cinnamon: which was earlier regarded as a 'Gift fit for kings' is a powerful antioxidant that supports in reducing blood sugar.

Licorice herb extract: It has proven potent immunomodulatory and antiviral activities. The extracts of licorice have a positive effect on the immune system. It can be used to optimize their immune response and improve the productive performance. It is also potentially beneficial for treating skin conditions, indigestion problems, respiratory conditions and cavities.

Clove extract: An anti-inflammatory and antibacterial substance that contains high amounts of eugenol, a compound with both anti-inflammatory and anti-viral properties. It also contains Kaempferol and Rhamnetin, Flavonoids that share the same properties as Eugenol. It also supports the functioning of the immune system. Cloves also contain high amounts of antioxidants.

Lycopene: One of the best antioxidants that has been found to be effective in viral infections, cardio-vascular diseases and metabolic syndromes.

Green Tea Extract: Contains polyphenols that are powerful antioxidants and free radical scavengers. Many studies have shown it to promote weight loss and support healthy arteries.

Biotin: Supports healthy skin, nails and hair.

Thiamine Mononitrate: Essential for normal body growth and helps to maintain proper functioning of the heart, nervous and digestive systems.

DailyTab™ Gold is boosted with many other vital ingredients & elements such as Vitamin A, Vitamin E, Cyanocobalamin, Folic acid, Magnesium, Selenium etc.

How DailyTab™ Gold keeps a tab on your immunity

Our body's immune system consists of cells that regulate processes that defend our body against toxins and pathogens including viruses and bacteria. Our immunity needs support when it comes to keeping it performing at its best, all year round. When combined with healthy eating, sufficient sleep and daily exercise, DailyTab™ Gold boosts, aids and participates to develop an effective immunity response.

Boost your immunity with a DailyTab™ Gold a day

It is as easy as 1 tablet a day or as advised by your Physician/Dietician/Nutritionist.

Got Questions?

Being honest and proactive are two of our core values. Hence, we have proactively answered some of the frequently asked questions with transparency.

How is it so cost-effective with such premium ingredients?

We've been around for more than 25 years in nutrition and manufacturing, and to make this happen, we did an extensive research on the select ingredients & quality sources to create a highly effective multi-vitamin blend and mass produce it to bring the affordability.

Is it gluten-free?

Yes, it is absolutely gluten-free.

How is it different from other multi-vitamins?

DailyTab™ Gold is a doctor formulated, unique immunity supporting blend with Premium Natural Astaxanthin. It is 6000 times more powerful than Vitamin C and boosts your immunity.

Is it Vegan?

Absolutely. It consists of 100% carefully sourced vegan ingredients.

Why should I trust a new brand?

We are part of a 25-year-young organization, specialising in manufacturing and export of Pharmaceuticals and Nutraceuticals. We are passionately dedicated to providing the best nutrition and supplementation through research.

I'm on medication, can I take this tab?

Yes, DailyTab™ Gold is nutritional supplement. Most of the nutrients are recommended by the RDA in a balanced and nutritious diet. These are required by our body for healthy functioning.

Are these safe enough for daily consumption?

We recommend 1 tablet daily or as recommended by your Physician / Nutritionist / Dietician.

What is the recommended dosage and how long do I need to use this tablet?

Consume daily for 3 months and then take a gap of 15 days, after which you can repeat the same course. You can expect positive results after one month of regular use.

Any special recommendations?

Get adequate sleep, eat a diet rich in fruits & vegetables, exercise regularly or play a sport. Please avoid alcohol and smoking for great results.

If you have any other questions / suggestions / feedback please visit our website www.dailytab.in or mail us at care@dailytab.in.

* Never miss a dose with our special patented calendar pack. Days of the week are marked on the strips so that the user can track his / her daily consumption.
